MONDAY EVENING, MARCH 26, 1900.

## LOCAL MATTERS.

sun rise tomorrow at 5:57 a. m. and set at 6:17. High water at 4:30 a. m. and 4:50 p. m.

WEATHER PROBABILITIES.—For this section for the afternoon or tonight. Tonight fog; partly cloudy, becoming fresh with light.

LEFT TOWN.—Late Saturday night H. Smith, of Washington, who for the past few months had conducted what was known as "Smith's Meat Market," left this city rather unexpectedly, taking with him, it is alleged, stock he had been unable to dispose of. An attachment was issued against the stock of goods left, and when Deputy Sergeant Moore went to the store on Saturday evening armed with the process, he found the place darkened and the keys on the outside of the door. An investigation showed that what goods had not been sold had been packed and removed. It is understood that Harlow Bros. are creditors to the amount of \$38; J. Matthews, about \$25, and the Heinz Pick Company, of Baltimore, is a larger amount.

LETTER FROM THE PHILIPPINES.—Mr. John Baggett, of Alexandria, now a corporal in Troop D, Third U. S. Cavalry, stationed in the Philippines, has written a very interesting letter to his brother, Mr. George E. Baggett, in this city, in which he describes some of the manners and customs of the Philippine and the several engagements in which his command participated. According to his statements the natives do not show much fight, and when they do, they invariably come out "second-best." The writer claims to have killed General Tinor and captured his sword. He says in the fight in which the general was killed 87 Filipinos were killed and 50 wounded. Corporal Baggett was on the firing line when General Tinor was killed. The natives, he says, generally retire to the mountains on the approach of the U. S. troops, where they carry on a sort of guerrilla warfare.

POLICE COURT.—Mayor George L. Simpson presiding.—The following cases were disposed of this morning: A man, charged with destroying and injuring property, was dismissed. James Doyle, charged with vagrancy, was dismissed. William Evans, charged with vagrancy, was put on bread and water diet.

John Ryan, Otto Phasoon, Thomas Fink, Frank Milliker and Edward Bell, charged with vagrancy, were put on bread and water diet.

A man, charged with vulgar and abusive language, was fined \$5.

Night Report.—Last night was snowy and cool. Eight lodgers were at the station house.

RAILROAD RUMORS.—It is said that the latest move along the policy of a mutual aid of interests in railway management is a project to unite the line belonging to the Pennsylvania Railroad, running from Washington, D. C., to Quantico, Va., and the Richmond, Fredericksburg and Potomac Railroad, extending from Quantico to Richmond. It is proposed to make the combination for the purpose of maintaining an open highway for railroad service between the North and South, and the parties named as likely to be in such an agreement, if it is consummated, are to be the Pennsylvania Railroad, the Baltimore and Ohio, the Atlantic Coast Line and the Southern Railway.

CIRCUIT COURT FOR THE CITY.—Judge C. E. Nicol presiding.—F. E. Lloyd's admr. vs. W. A. & M. V. Ry. Co.; demurrer to declaration; demurrer sustained and leave given plaintiff to amend within 60 days.

R. S. Brown vs. Pamela Rotchford et al.; injunction to restrain sale of property dissolved.

KNIGHTS OF MALTA.—Another interesting meeting under the auspices of the Ancient and Illustrious Order Knights of Malta was held Saturday night in this city. Another meeting will be held in J. O. U. A. M. hall, on south Fairfax street, next Sunday, April 1st, at 8 o'clock p. m. This order is growing very rapidly, especially in the South, and much interest is manifested in it in Alexandria. Mr. James W. Chanouney has been elected treasurer of the temporary organization, vice Mr. W. A. Harding, resigned.

CONCERT.—The Kellogg Bird Carnival and Concert Company will give an entertainment at the Opera House tomorrow night for the benefit of the Church Furnishing Fund of the M. E. Church South. Charles Dennison Kellogg, who is the principal feature of the performance, is a wonderful man vocally. His range of voice is nine and a half octaves, producing two, three and four tones simultaneously. The ladies of the Church Furnishing Fund are especially fortunate in securing the company for their benefit.

MISSION.—The very successful mission which has been held at St. Paul's Church by Rev. N. P. Dame, of Winchester, was concluded last night, when the congregations of the three Episcopal churches and their rectors united in the services. Mr. Dame took the Prodigal Son for his text and made a most impressive address, which was attentively listened to by the large congregation. Mr. Dame's mission here, it is believed, has resulted in much good.

A BIG CARGO OF ICE.—The largest cargo of ice which has ever come up the Potomac River on a single vessel is being landed at the wharf at the foot of Ninth street, Washington. The four-masted schooner John F. Randall is lying there, having arrived yesterday from Boothbay, Maine, with a load of 2,610 tons. The schooner left Boothbay on the 14th instant, and on the voyage was under the charge of Capt. F. H. Crocker.

FISH.—A vessel loaded with fish, the first of the season, arrived at Fishtown today from Yocomoco. The load consisted of 24,000 herring and 200 shad and was consigned to Mr. Thos. Perry.

The Best Prescription for Chills and Fever is a bottle of GROVE'S TARTARIC COLIC TONIC. It is simply iron and quinine in a palatable form. No cure—no pay. 50c.

PERSONAL.—Mr. Henry Genzberger, of Louisiana, Mo., spent a few days recently in this city with his uncle, Mr. L. Genzberger.

Capt. Jos. E. Willard, of Fairfax, denies the rumor that he is a candidate for lieutenant governor, and states also that he is not a candidate for any office.

The report that Rev. Dr. Hunt, of New York, has been called to the pastorate of the Baptist Church, of this city, is incorrect. Dr. Hunt is expected to preach here, however, next Sunday.

Col. F. L. Smith and Mr. A. W. Armstrong will this evening return to Richmond, where they are engaged in preparing the arguments in the commission of valuation cases which come up before the Court of Appeals on Wednesday.

Miss Lillian Kersey is visiting in Baltimore.

Rev. J. A. Jeffers, of the Philadelphia Conference, M. E. Church, will succeed Rev. N. B. Masters as pastor of Trinity Church, this city. Mr. Masters has been transferred to Marietta, Pa.

Mr. and Mrs. W. B. Smoot have returned from Atlantic City.

A telegram was received here today from Norfolk stating that Mr. Louis A. Tucker, formerly of this city, is seriously ill there.

MORE SNOW.—The cloudy weather and raw northeast wind of yesterday brought such a wet o'clock last night, which continued to fall until day-break. It did not lay, however, and disappeared almost entirely during the day. The heavens have continued overcast and the weather unsettled. On March 26, 1881, there was a hearty fall of snow.

THE CHURCHES were well attended yesterday, despite the raw, threatening weather. The services were conducted according to Saturday's announcements, the pulpits of the Methodist and the Presbyterian churches being occupied by members of the Virginia Conference, then in session here.

FUNERALS.—The funeral of William C. Shock, whose death occurred Thursday evening last, took place yesterday from his late residence, 135 south Fairfax street, and was largely attended. Services were conducted by Rev. E. V. Regeater, and the interment was in the old Methodist burying ground. The pallbearers were Messrs. 2227, Guildenstatter, Frank Cook, J. S. Beach, W. H. Smith, B. M. Latham and Jas. McWilliams.

The funeral of Mrs. Sarah A. Parson took place yesterday afternoon from her late residence, corner of Washington and Oronoco streets. Services were conducted by Rev. E. V. Regeater, and the interment was in Union Cemetery.

The funeral of Elmer King, son of Mr. Arthur King, whose death occurred Friday night, took place at 1:30 yesterday afternoon. Services were conducted by Rev. P. P. Phillips, and interment was in Bethel Cemetery.

[COMMUNICATED.]

THE WATKINS CASE.—For the sake of justice to all and the effect it might possibly have upon another jury, in any succeeding trial, let's have the position of the last jury fully understood. In your issue of Saturday, you state that the jury stood 8 for plaintiff and 4 for defendant, which is correct, but that the 8 stood unanimously for \$10,000 damages, is entirely wrong. The question of the amount of damages was never discussed by the jury, as they could not come together upon the very first question to be considered—that of damages or no damages.

ONE OF THE JURORS. [The statement that eight of the jury stood for \$10,000 was made on the authority of another of the jurors.]

No Right to Ugliness.
